

Monostay Adapter

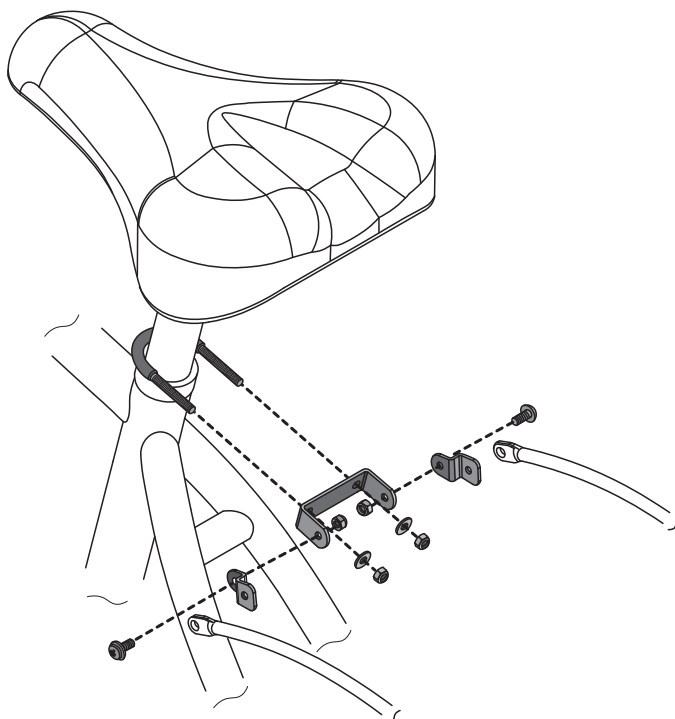

Instruction Manual

MSA01

Please read all instructions before installing and using your rack mounting adapter.

Warning

Failure to install rack accessories properly may result in serious injury/death and or damage to your bicycle.

Installation/Use

1. Place monostay adapter binding adjuster on a suitable portion of the seat tube or post as pictured.
2. Install adapter bridge to the binding adjuster's studs with supplied hardware as shown.
3. Install the angled brackets to each side of the bridge as shown.
4. Install rear rack to adapter following the manufacturer's instructions.
